

Hot Topic Facilitator Information

Annual Advisers' Conference

JANUARY 25-26, 2007

Soaring Eagle Resort, Mt. Pleasant

The Hot Topic Session will run Friday morning from 8:45 – 9:45 AM, with each mini-session lasting 10 minutes. The attendees will go to five mini-sessions in a row. As a table facilitator, you will run your session five times, remaining at the same table each time and allowing the new attendees to come to you. Please provide quick and concise information and if possible, a handout with your contact information on it.

As a presenter, you will be part of the Parade of Presenters on Thursday, Jan. 25, 8:30 PM. I ask that each presenter make a QUICK (60 seconds or less) plug for his/her session, so other attendees can get a better understanding of what they will gain from your session.
