## SPOTLIGHT ON OUR SPEAKER

After 25 years of working with student councils in Minnesota, **Doug Erickson** is here to share wonderful ideas with advisers of both student councils and honor societies!

Being honored as the Orono Teacher of the Year twice, nominated for the Warren E. Shull award, and having presented at a variety of conferences, has allowed Doug to collect great resources and experiences. He has worked with many groups – student councils, honor societies, Link Crew, leadership classes, and even a police department! Doug has worked for a number of years with the Minnesota Association of Student Councils and as he prepares for retirement, looks forward to the time he can spend sharing with and speaking to advisers and students around the United States.

## CONFERENCE DETAILS

**New Advisers' Session:** Early on Thursday, two former advisers with decades of experience will facilitate a pre-conference session that will be picked up again during two of the Education Sessions on Friday. Join Tom Heethuis, Principal, Dakota High School and Larry Streeter, Adviser, retired from Dondero High School, in an information-packed hour of tools, tidbits and resources.

**Hot Topic Table Sessions:** During this part of the conference, you will have the opportunity to hear about four (4) different topics. We have people presenting everything from Student Motivation to NHS Selections and from the Award of Excellence to the best new activities around!

**Parade of Presenters:** Hear what your colleagues will be presenting during Friday's Education Sessions! As each presenter is introduced, you will be able to get a quick peek at what they have up their sleeves.

**Hospitality Reception – Sponsored by Jostens:** An optional event for all conference attendees, and a great way to mix and mingle with other advisers that do just what you do every day!

**MASC/MAHS Update:** Find out what's coming up in MASC and MAHS! Get firsthand details about our Regional Conferences, Awards and Charities and Summer Camps!

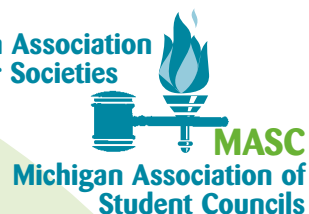

**Education Sessions:** Sit in on sessions and listen to what your colleagues have to say. We will have a number of sessions for you to choose from during registration on Thursday! *We have experienced advisers presenting topics such as Working with Administration, NHS Policies, Leadership Class Activities, and more!*

**Ask the Experts/Idea Exchanges:** Three different panels will be available – Middle Level Council Advisers, High School Council Advisers, and Honor Society Advisers – made up of advisers who have been doing this for too many years to count! *Here's your chance to ask what they do to keep it together, get it done, and still have time to relax...maybe!* Think you've been doing it long enough? We'll have a room for experienced advisers so that you can exchange ideas and get some new ideas to help you out too. Everyone has great ideas and everyone needs more ideas! We'll use this time to get in small groups and share what we've done that works, doesn't work, and what we want to try!

**Summer Camp Meeting:** For any and all interested advisers that want to get involved with our Summer Leadership Camps (middle level and high school) – **we need YOUR help.** We will meet for a short time to discuss some details of our camps. Not sure if you want to get more involved? Come find out! Want to send students but can't get them to go – come find out how! *(Middle and high school camps available).*
