If you are currently a senior, what school/business/military branch do you intend to go to next year?

APPLICATION PART 2: Video Submission

The second part of the application process is a video submission. Each applicant must submit a video to the MASC/MAHS Office (see bottom of this page for address). Because we do not have access to various forms of media access, video submissions MUST be in standard VHS tape size (think of what fits into your VCR, remember those?!) or standard DVD format (it must play in a normal DVD player). Videos that are submitted that do not work in a standard VHS player or a standard DVD player will be disqualified. **DOUBLE CHECK YOUR TAPE/DVD BEFORE SENDING IT IN!** Tapes must also be rewound to the starting point of your video. Tapes/DVD's will NOT be returned.

- PART 1: Personal Narrative

- Start your video by clearly stating your first and last name, the school you currently attend and where you plan to go next year (if you're a senior or changing schools).
- Describe the leadership experiences you have acquired in and out of school.
- Explain why you want to be part of the MASC/MAHS Summer Leadership Camp, what you feel you can bring to the camp staff, your goal for the students that would be in your council, and if there was ONE thing you could change about camp, describe what that would be.

- PART 2: Teaching/Presenting an MASC/MAHS Song

- Gather a group of at least 5 people between the ages of 11-18. Choose your favorite MASC/MAHS camp song and TEACH the song to those people. We are looking at your energy, motivation, teaching style and confidence when viewing this section. Since you are teaching the song, we understand that you might need to go through it more than once. The last time you sing it with your group, imagine that you ARE a Junior Counselor at camp and the people you just taught the song to are campers!

- ADDITIONAL DETAILS

- Your video should be no longer than 10 minutes.
- The VHS tape or DVD should be clearly marked with your first and last name
- When you mail your video, it MUST be postmarked by the last Friday in March (ex: for 2007 Camp, video must be postmarked by March 30, 2006).

APPLICATION PART 3: Recommendation Letter

One letter of recommendation is required as part of the application process. This letter of recommendation must come from either a leadership adviser at your school (NHS, Student Council, Leadership Class, etc...) or one of your Senior Counselors from MASC/MAHS Camp. The recommendation should be no longer than one (1) page, typed, and preferably on school/business letterhead, if possible. The letter should address your leadership strengths and growth over the past year or two (during camp, before/after camp) as well as provide support for your desire and ability to be on our staff.

The recommendation letter must be mailed in separately, directly from the recommender. Provide your adviser/senior counselor with the appropriate mailing address and/or fax number as well as the postmarked deadline listed below. The letter should arrive in a sealed envelope, with the recommender's signature across the envelop seal. A late recommendation letter may cause your application to be viewed negatively by the administrative staff.
