Member advisers have said...

"The MASSP Student leadership – MASC program is important because students see themselves empowered in what could occur at school. It provides students with leadership training, infusions of energy, and opportunities to grow in a positive and safe environment. The excitement and motivation gained continues back at school."

"For us, MASSP Student Leadership-MASC program has: made us rely on prioritizing our lives and activities, develop new ideas for events; provide networking with other councils and advisers; motivates us to always do more by improving old activities and developing new ones; build a strong relationship between ourselves, the advisers, and the students; taught us icebreakers and mixers to help breakdown "walls" between our members as well as members of other schools; kept us aware of what is going on in students lives; and, helps us train "leaders" not just "doers."

Tomorrow's Leaders TODAY

"I became an adviser two years ago... my principal enlightened me about MASSP Student Leadership-MASC. Our council had no concrete direction prior to this and I was very new to this. MASC has helped me as an adviser with direction and unification. The conferences have provided me with new ideas and constant support. Our Council has chosen the motto, "Make A Difference" and according to our staff and some students – they are!"

Student Leaders

Making a Positive,
Significant Difference

Benefits of Membership for MASC and MAHS Members

- Provides year round services for student *and* adviser leadership training.
- Serves as an advocate for young people, providing a channel for expression of student views.
- Serves elementary, middle and high school students and advisers in Michigan.

MASC/MAHS Website www.michiganprincipals.org

(click on Student Leadership Programs)

- The website for advisers and students providing a wealth of ideas and information throughout the year.

Statewide Communication www.michiganprincipals.org

(click on Student Leadership Programs)

- The *MASC/MAHS e-Directory* made available to members to encourage networking between member schools.
- Our Q & A Listserve is an email service designed for members to get answers quickly from other advisers throughout the state.
- Our blast email keeps members up-to-date on events, news and relevant issues.
- We provide *“Today’s Student Leadership Adviser”* newsletter twice a year containing great ideas and resources.

Programs

- New Adviser workshops take place right at the start of the school year.
- Sponsors a two-day workshop in January which provides training on how to teach leadership, idea sharing and networking for **advisers**.
- Training institutes for **students** held in the fall throughout Michigan.
- Regional Conferences in the spring with **students** as the presenters.
- Executive Forum held in May for newly-elected **officers**.
- Awards recognizing group, student and adviser achievements.
- Summer camps for **both senior high and middle level** student leaders.
- An annual conference for **student councils and honor societies**.
- State charities selected each year for MASC and MAHS.
